OUA Unit Validation Request

**Murdoch University**

This form is to be used when OUA requests approval from Murdoch prior to accepting your enrolment in a OUA Murdoch unit. As you have not met the entry requirements you will need to complete this form to seek approval from Murdoch for this enrolment request.

Completed forms to be sent in PDF format to the Student Centre studentcentre@murdoch.edu.au

Unit/Subject entry requirements can be found on the OUA website under 'Entry Requirements' of the unit outline. You will need to demonstrate you can meet, or previously have met, the enrolment prerequisites for the unit via alternative means.

Enrolment Deadline: Completed and signed forms must be submitted to Murdoch <u>before the OUA close of enrolment deadline</u>. Late applications cannot be accepted.

Student Details:

OUA Student Number:	
Murdoch Student Number: *(if you have one)*

Please complete the questions on the next page.

OUA Unit Validation Request

Why do you need to complete this unit now?

Please outline your reasons for wanting to enrol in the unit without meeting the requirements first.

What have you done to prepare yourself for enrolling in this unit?

Please provide a short statement addressing how you have fulfilled the learning outcomes of the prerequisite unit(s), or why you believe you can complete this unit without completing the prerequisites.

Supporting documentation

Please list below any supporting documentation relevant to your request and attach the documents when submitting your completed form.

Signature:

By submitting this form, I acknowledge that:

- Approval by the Unit Coordinator/Academic Chair only refers to my eligibility to study the unit and does not guarantee my admission with OUA.
- I must contact OUA Melbourne directly to finalise my enrolment into the unit, if approved.
- I understand this application cannot be used as grounds for an extension of assessment deadlines, an appeal against the unit result or retrospective withdrawal.
- Approval to waive a prerequisite requirement does not mean I do not have to complete the prerequisite to graduate (if I have been admitted to a Murdoch University degree)
