

**MEET
YOUR PACS**

Hello! I'm

CAMERON

Bachelor of Sport and Exercise
Science/Bachelor in Science
(Psychology)

ABOUT ME

Hi, I'm Cameron, and I'm a 1st year student in sport and exercise science and psychology. I have grown up in Perth my whole life, and I have a passion for all things sports.

I understand how difficult it can be to adjust and transition into Uni life, so I love to help with tips and tricks on how to make navigating Campus and Uni life easier, as well as study tips to make the academic part of Uni less complicated.

I love to help with any questions and to talk about all the amazing support services available at Murdoch. I look forward to seeing you in either Student Central or the Library PAC locations.

Hello! I'm
NICK

Bachelor of Sport & Exercise
Science/Master of Clinical Exercise
Physiology

ABOUT ME

Hi, I'm a third-year student studying a Bachelor of Sport & Exercise Science/Master of Clinical Exercise Physiology.

I'm a mature-aged student and personal trainer who recently changed careers, deciding to pivot into Allied Health and work towards becoming a Clinical Exercise Physiologist. I've balanced the demands of work, uni and family life by prioritising my time and attention along the way. I can help with scientific report writing, general study support and navigating uni life as a new student.

Please reach out if you ever need help!

Hello! I'm

MANON

Master of Sustainable Development

ABOUT ME

Hi, my name is Manon and I've moved over from Chile to Australia back in 2020 and am here to stay now in the sunniest capital of the world!

I'm in my final semester of the Master's in Sustainable Development and many summers ago completed Bachelor's degree in creative communication back where I was born; The Netherlands. I believe having studied in 3 different countries makes me understand how overwhelming it might be to wrap your head around well..everything! - As a sustainability student, I obviously believe a better world starts with yourself and that's why I'm here to help you.

I am a very open-minded person so please don't hesitate to ask anything. As I'm hyper-organised, I plan ahead to succeed and strive to help you with that.

Hello! I'm

PALDEN

Masters of Community
Development

ABOUT ME

Hi, I am Palden Wangmo from Bhutan and I am currently in my 3rd Semester pursuing a Masters' degree in Community Development.

I have been a committed teacher with years of expertise in teaching in Bhutan and Mae Fah Luang University, Thailand, and I have had an opportunity to collaborate directly with students from various backgrounds. My experience in the field of education has given me a profound awareness of the difficulties that students encounter at their academic level and how one feels as an international student away from home. The experience I have had with students both in the country and outside of the country has improved my empathy and sharpened my ability to offer specific advice and support. I am very open-minded and a good listener. So, drop by the Library on Tuesday, happy to help.

Hello! I'm

LEONA

Master of Professional Accounting
(Advanced)

ABOUT ME

Hi, I'm Leona Lama, currently in my 2nd year of the Master of Professional Accounting (Advanced) at Murdoch. I'm passionate about sports, particularly basketball and tennis, and I'm driven by a love for learning and motivating others.

As a PAC leader, I'm here to help you overcome challenges that students would face and assist in excelling through collaborative learning. Remember, seeking help is a strength—so don't hesitate to drop by for a chat. You deserve the support, and together, we'll make success more attainable!

Hello! I'm

GAMU

Bachelor of Nursing
(South St Campus)

ABOUT ME

Heyy . I am Gamu, an international student from Zimbabwe. I am currently in my second year of Nursing.

I am a previous PASS leader for Nursing Bioscience (you should check PASS out, its so helpful + fun). You can come to me for help in writing assignments, referencing, looking for articles for assignments and any help you might need!

This semester you can find me on Thursday afternoons in the library. See you soon .

Hello! I'm

JASMINE

Bachelor of Laws

ABOUT ME

Hi! My name is Jasmine, and I am in my final year of a Bachelor of Laws.

Throughout my studies, I have had multiple jobs, so I am well equipped to share time-management and organisation tips.

I also have experience working as a law clerk and paralegal, so I love helping students out with any law content questions.

I can share tips on how to research, especially how to locate legal resources and cases. I can help with referencing (particularly AGLC4) and using the Murdoch library website.

Come visit me for some advice on how to get the best out of university, while still living your best life!

Hello! I'm

CAITLIN

Bachelor of Science/Doctor of Vet
Medicine

ABOUT ME

Hello! My name is Caitlin, and I am a second year Bachelor of Science/Doctor of Veterinary Medicine student. I transferred from a double major in Animal Health and Animal Science in 2023.

Time management and balance are integral to enjoying university, especially as the semester gets busier. I am passionate about helping students develop their academic skills as well as their interpersonal skills to ensure they are equipped for all aspects of university life. Although my strengths lie within the science disciplines, I'm always up for a challenge exploring other fields of study.

I love helping with all things 'veterinary-related' but am also more than happy to provide advice or support for any topic. Feel free to reach out if you need any guidance or even just to say hi!

Hello! I'm

CHARIESE

Bachelor of Nursing (Mandurah)

ABOUT ME

Hi, my name is Chariese and I'm in my second year of a Bachelor in Nursing.

I am able to help with assignment questions, giving study tips, APA 7th referencing and any nursing-related questions. I totally understand that starting uni can be a challenging experience. So I would love to help make it easier!

This semester you can find me at the Mandurah student central reception on Mondays. Come and have a chat about it! :)

Hello! I'm

LETITIA

3rd year Bachelor of Laws

ABOUT ME

Hey, my names Letitia, I am a third-year law student here at Murdoch. I grew up here in Perth and I am super passionate about all things law!!

Study can be super overwhelming, so I have developed lots of different study tips and tricks to make things easier and more manageable! I am a super open – minded and friendly person so if you have any questions, law related or not, feel welcome to come and have a chat with me and I will help you in any way that I can!!

I am also passionate about having a healthy study and social life balance, having both is the best way to get through to stress of university life!! If you have any questions or need any advice on managing your heavy workload, come and have a chat!!

Hello! I'm

TESHANI

2nd year Master of Information
Technology (Networking and Cyber
Security)

ABOUT ME

I'm Teshani, a second-year Master of Information Technology student focusing on Networking and Cyber Security. Originally from Sri Lanka, I've embarked on an exciting academic journey at Murdoch University.

Having been through the ups and downs of university life, I understand how overwhelming it can be to navigate through coursework, assignments, and the challenges that come our way. As a Peer Academic Coach, I'm here to lend a helping hand and support you in your academic pursuits.

Whether you need assistance with time management, effective study strategies, or simply adjusting to university life, I'd happily guide you through it. Additionally, I am well aware of the impact of mental well-being on one's studies, and I'm here to listen and provide a supportive environment.

Hello! I'm

ZOEE

3rd year Bachelor of Nursing

ABOUT ME

Hi, I'm Zoe a 3rd year nursing student and previously a PASS leader for nursing bioscience.

I love being able to help people succeed and discover tips and tricks that I wish I had known earlier in my degree. I spend a lot of time looking at study skills and all things time management to be able to quickly understand the content in my units. I love breaking down unit guides and assessments to figure out the best methods of note-taking and revision methods that are efficient and actually work!

If you need help with all things nursing, finding the best ways to study, managing your time or even just have a general enquiry I would love for you to come and have a chat about it

Hello! I'm

HANNAH

3rd year Bachelor of Science and
Doctor of Veterinary Medicine

ABOUT ME

Hi! My name is Hannah. I am currently in my third year of Veterinary Science. I successfully transferred from Animal Health/Animal Science in 2022, so I have experience with managing my time with studies, work experience, and life. I am passionate about having a healthy study/work/life balance to ensure our mental health is a priority during stressful times.

I would love to help with general uni life enquiries or share some tips and tricks on getting through challenging units.

I look forward to seeing you at the MyAdvice locations!

Hello! I'm

INDIGO

Bachelor of Creative Media
(Games Art & Design)

ABOUT ME

Hi! My name is Indigo and I am studying a Bachelor of Creative Media (Games art & Design). I love learning new skills, socialising, and creating schedules that help me keep on top of my work.

Studying can be overwhelming, so my main focuses during university have been on staying positive and picking up skills that help with maintaining a healthy work and life balance. If you need help with all things related to time management, general advice, writing, and arts, I am happy to share what I have learnt.

Likewise, if you feel like having a chat or need help with anything during your studies, please reach out and I will be happy to assist you to the best of my abilities. I look forward to seeing you at the MyAdvice locations.

Hello! I'm

SARAH

3rd year Bachelor of Education
(Early Childhood and Primary
Education).

ABOUT ME

Hey there! I've been helping fellow students tackle academic challenges for about a year now. My style? Practical, direct, and totally down-to-earth. I won't do the work for you, but I'll show you how to nail it yourself.

As a 'mature age' student juggling study, work, and ADHD life, I get it. Everyone's journey is different, so that one-size-fits-all approach is not my thing and I'm all about finding strategies that fit you. Whether you're dealing with invisible challenges, figuring out your identity, or just trying to find your place, I'm here to help you navigate.

Hello! I'm

KHIARA

3rd Year Bachelor of Law and
Psychology

ABOUT ME

Hi, my name's Khiara and I'm going into my 3rd year of my Psychology and Law degree here at Murdoch.

I'm really passionate about helping other students succeed in their goals and degrees. I took a 4 year gap year and worked full time before starting my degree, so anything to do with time management and work-life balance, I'm your girl!

As a high-performing student, I believe it's not about your intelligence but the work you put in and resources you access. If you want to achieve better grades in your Psychology or Law units, feel free to come see me to take my top tips of resources to use and time to dedicate.

As well as being a PAC I am also a PASS Leader for CRM120 and a Student Wellbeing and Equity Ambassador. So unit and work queries aside, please also feel comfortable coming to see me about any wellbeing or mental health concerns you have. Life is complicated and stressful being a student (trust me I know...) but we have some amazing support services here at Murdoch and I would love to point you in the right direction

Hello! I'm

CRISTINA

Honours of Molecular Biology

ABOUT ME

Hi, my name is Cristina. I am currently studying Honours majoring in Molecular Biology. Since I recently graduated with a Bachelor of Science in Clinical Laboratory Science and Genetics, I am familiar with the rigorous demands of scientific study and the importance of a well-rounded education.

University life may be challenging, and I know how hard it is to balance study and personal life or work commitments. However, I believe that every student can navigate these challenges successfully with the right strategies and support. Whether you're delving into the complexities of research in the molecular field, mastering effective study habits, or finding an elusive work-life balance, I am here to help you.

Hello! I'm

SUE

3rd Year Bachelor of Science
(Biomedical Science & Clinical
Laboratory Science)

ABOUT ME

Hi! I'm Sue, and I am in my 3rd year studying for a Bachelor of Science with a double major in Biomedical Science and Clinical Laboratory Science. I'd love to help with general writing advice, specifically scientific writing and general assignment assistance.

Having experienced the challenges of adjusting to university life and being miles away from home as an international student, I'm here to offer valuable study advice, time management strategies, and guidance to help you navigate your academic path.

Let's conquer this together!

Hello! I'm

STEPH

4th year Bachelor of Science and
Bachelor of Criminology (Crime Science
and Forensic Biology and Toxicology)

ABOUT ME

Hi! My name is Steph and I'm in my fourth year studying a Bachelor of Criminology and a Bachelor of Science.

I am happy to help out with general assignment questions, planning and structuring essays or lab reports, APA 7 referencing, and any other queries you may have. I remember the struggles of adjusting to university life and I would love to help anyone who needs a hand grasping the basics of being at uni.

As someone who is always on the go, I know the challenges of trying to balance uni, work, and a personal life so I am happy to assist with time management too.

Hello! I'm

PRIYA

4th Year Bachelor of Laws and
Bachelor of Arts (Global Politics and
Policy)

ABOUT ME

Hi, I am Priya! I am currently undertaking my fourth year of study in both Law and Global Politics and Policy. I am passionate about maintaining a positive and supportive learning environment at Murdoch.

Doing both an Arts and Law degree I can help with a wide scope of subject areas. I can assist with general course help and more specific topics including research processes, referencing and assignment structure.

Whether you need help finding your feet with your work or are just needing some general support feel free to come in for a chat. I look forward to meeting you.

Hello! I'm

JARED

5th year Bachelor of Science and
Bachelor of Clinical Chiropractic

ABOUT ME

Hi! My name is Jared, I'm a final year Chiropractic student who moved here from Canada four years ago.

Before going into Allied Health, I studied History for several years at the University of Victoria. As such, I have tons of experience with referencing and writing research papers, as well as an intricate knowledge of science-based topics like anatomy and biology.

I know how busy uni life can get, and how easy it is to fall behind or get overwhelmed. If you need help with prioritizing, studying effectively, or otherwise just surviving university, I'd be happy to help!

This semester, you can find me in the library on Friday evenings.

Hello! I'm
SEB

3rd year Bachelor of Science and
Doctor of Veterinary Medicine

ABOUT ME

Hello, my name is Seb, and I am a current third-year student pursuing a Bachelor of Science/Doctor of Veterinary Medicine degree (transferred from Animal Science/Health). Prior to this, I completed a degree in Nutrition and Food Science at Curtin University before starting at Murdoch in 2021 to pursue my passion for veterinary medicine.

I am happy to provide advice on a range of topics, including general university life, study skills, assignment assistance, and anything related to the application process or work experience required to get into veterinary medicine.

Please feel free to approach me with any questions or concerns, and I will do my best to offer any guidance I can!

Hello! I'm

RONNY

2nd year Master of Health
Administration, Policy and
Leadership

ABOUT ME

My name is Ronny Wo, and I am international student from Hong Kong. I am currently studying my master's degree in Health Administration, Policy and Leadership.

Before coming to Australia, I finished my bachelor's degree of Animal Science in California and worked in the veterinary business industry for a while. Also, I enjoyed a lot of watching soccer in my own time.

Therefore, if you are also international and struggling to adapt to the new life, I am more than happy to give you some tips. Or, if you want to know more about working with veterinarians and talking about soccer, I am always available.

Hello! I'm
AMIRA

2nd year Master of Health
Administration, Policy and
Leadership

ABOUT ME

Hi, my name is Amira, I am from Mozambique, and I am pursuing Master in Health Administration, Policy and Leadership.

As an international student I know well how studying abroad might be overwhelming, trying to adjust a new country, new culture, and new university. I decide to become a PAC because I like to help people and will be pleased to help you to navigate your academic journey.

I am very open; I like to meet new people and learn about different places and cultures. Feel free to come and have a chat with me if you need some help.

Hello! I'm
XAVIER

4th year Bachelor of Arts (Marketing
and English & Creative Writing)

ABOUT ME

Hi, my name is Xavier. I'm currently in my fourth year of a double major in Marketing and English & Creative Writing.

I'm excited to take on new challenges, connect with fellow students, and help where I can. I find I'm at my best when I have a healthy balance between work, uni, and my social life, and I have plenty of tips to share.

Don't hesitate to reach out if you're Marketing or English student or are studying anything else and you need a hand.
